

PARENT LIAISON GROUP

The Trinity College Parent Council invites you to nominate to be a liaison parent. Ideally we hope that one or two parents from each Pastoral Care Group (PCG) will participate.

The objectives of the Parent Liaison Group in the Secondary School are:

- To enable the family and the College to share the values and goals of a Catholic Education in the Edmund Rice tradition;
- To encourage participation and promote belonging in the Trinity community through greater parental involvement; and
- To encourage communication between staff, parents and students.

The duties of the Parent Liaison group are:

- To promote parental attendance at College functions and events thereby further contributing to the life of the College;
- To organise social gatherings and functions for parents in the relevant Year Groups.
- To encourage parental participation in the Masses held for the relevant Year Group and organise a morning tea for parents following Mass.
- To welcome and assist families new to the College.
- To assist by liaising with other auxiliary parent groups of the College to coordinate support and assistance for families in times of need or crisis.

To register your interest, please complete the response slip below and return it to the College, marked to the attention of Mrs Sharon Staude c/- the Trinity College Parent Council via College Reception. We hope to contact you early in Term 1.

Attention: Mrs Sharon Staude, Trinity College Parent Council via College Reception.

I would like to volunteer to join the Parent Liaison Group during 2008
